Captain's Notes

Tridon Shield

We had a hard match against Town Moor on 24th May, much harder than the 5-1 win suggests. Very strong team in very windy conditions but commiserations to our only losing pair on the night. The earleir drawn match against Bessacarr on their home ground on 17th May was another well-fought contest. The away match at Town Moor was a tough match but we lost 5-1 albeit there is a dispute about one of the games. These three results have yielded 9 points for Bawtry and Town Moor's recent close win over Bessacarr (31/2 to 2 ½ points) gives Town Moor a ½ point advantage over Bawtry at this stage.

Other Cup matches

Please keep an eye on the Rabbit KO results sheet. There are still some players who have not put their phone number for their opponents to make contact.
